AEP Scheduled Power Outage: Part of Elm Grove on April 5

In order to accommodate the WVDOH road-widening project on Kruger Street, AEP has scheduled a power outage in a small section of Elm Grove on Tuesday, April 5, 2016, from roughly 6:00 a.m to 12:00 p.m.

Only 100 customers will be affected.

Each customer with a working telephone number on file with AEP will receive direct notice of the outage on Friday, April 1. Commercial customers have already been contacted. Questions can be directed to AEP's 24/7 Customer Solutions line (1-800-852-6942).
