

FOR IMMEDIATE RELEASE

August 3, 2016

A notice from the City of Wheeling Water Department

The Wheeling Water Department will be conducting routine maintenance flushing of distribution water lines between the following dates:

Start/end date: Thursday, August 4, 2016

Residents in the following areas may experience low pressure and/or discolored water:

- Stamm Lane
- Meadow Lane
- Hubbard Drive
- Hubbard Place
- Williamsburg Circle

This is a courtesy notice and does not require any action by residents or businesses in the area. Any questions can be directed to the Water Distribution Department at 304-234-3849.
