RELEASE: Uber Now Available in Wheeling, Throughout West Virginia
App Gives West Virginians More Transportation Options, Flexible Work Opportunities

[Wheeling, WV] -- Just over a year ago, Uber first launched in West Virginia, helping residents in Charleston and Morgantown get access to more transportation options and flexible work opportunities. Today, Uber is excited to announce that the service is now available in Wheeling and throughout all of West Virginia. Uber has opened up access to drivers and riders across all of West Virginia. At first, wait times in these new areas may be longer than usual as Uber works to ensure everyone who needs a ride can get one.

How it Works: Driving with Uber

Set Your Own Schedule

West Virginians can drive with Uber anytime, day or night, 365 days a year. It's always up to the driver when they want to earn money with Uber

Earn more at every turn

Trip fares start with a base amount, then increase with time and distance. And when demand is higher than normal, drivers earn more.

The app leads the way

Drivers just need to tap and go. They'll get turn-by-turn directions, tools to help them earn more, and 24/7 support.

More information about the driver app can be found [HERE](#)

How it Works: Riding with Uber

Download the App

Download the Uber app on your iOS, Android, or Windows device and set up an account

Tap a Button, Get a Ride

Choose your ride (affordable uberX and uberXL for larger groups are now available throughout West Virginia) and set your location. The cost of the ride will be shown clearly before you request. You'll see your driver's picture and vehicle details, and can track their arrival on the map.

You Rate Your Trip, Uber Listens

Rate your driver and provide anonymous feedback about your trip. Your input helps us make every ride a 5-star experience.
