

WHEELING
FORWARD
2034

The City of Wheeling will be hosting their first of four public workshops, kicking off a planning process to decide where we should focus our energy and investment in the community.

A Comprehensive Plan describes a community vision and the steps to make it a reality. Comprehensive Plans make recommendations that can inform land use regulations and help guide growth and development for up to a 10-year period.

**COMMUNITY
CONVERSATION 01**

Monday, February 13, 2024
7:00 PM - 9:00 PM

**West Virginia Northern
Community College**
