5:00 PM - 8:00PM

White Palace at Wheeling Park
1801 National Road
Wheeling, WV 26003

We hope to see you there!
The Public Meeting location is compliant with the Americans with Disabilities Act (ADA). If you or an individual that requires special assistance to attend and/or participate in this meeting or need additional information please contact:

The City of Wheeling will be hosting the **third of four public workshops**, where the community will:

review **Areas of Change** for potential impacts on the city's growth.

prioritize **Development and Public Space** improvements.

A Comprehensive Plan describes a community vision and the steps to make it a reality. Comprehensive Plans make recommendations that can inform land use regulations and help guide growth and development for up to a 10-year period.
