

Continuum of Care (CoC) Builds Notice of Funding Opportunity Applications Due November 21, 2024, by 11:59:59 PM EDT

The Office of Special Needs Assistance (SNAPS) is excited to announce the opening of the [COCBuilds](#) application process.

Purpose

The Continuum of Care (CoC) Builds (CoCBuilds) NOFO will add new units of permanent supportive housing (PSH) for individuals and families experiencing homelessness through new construction, acquisition, or rehabilitation. The Coc Builds NOFO outlines additional CoC Program-eligible activities and costs that may be included in your application. Additionally, CoCs are encouraged to leverage funds provided for construction, acquisition, or rehabilitation of new PSH units with other funding sources to maximize the amount of housing that can be directed to meeting the needs of individuals and families experiencing homelessness.
