FINANCE COMMITTEE REPORT - JUNE 21, 2017

The Finance Committee of Wheeling City Council met on Wednesday, June 21, 2017 at 5:00 p.m. in City Council Chambers. Committee Members present: Chair Chad Thalman, Vice Chair Dave Palmer, Member Wendy Scatterday. Others present: Mayor Glenn Elliott, Councilors Ken Imer, Brian Wilson and Ty Thorngate; City Manager Robert Herron, Finance Director Seth McIntyre, City Clerk Janice Jones and the media.

The following matters were discussed:

Financial Statement - May 31, 2017

City Manager Robert Herron explained that we are three weeks into June and he would like to update Council as of today. He indicated that the Cash Balance is \$2,168,000.00, the Budget Stabilization Fund is \$1,605,000.00. In regard to revenues, Mr. Herron indicated that June is a very weak revenue month, \$674,000.00. Mr. Herron reviewed several revenue line items that were somewhat less than previous years, such as ambulance fees, bed tax, IRP truck fees, miscellaneous revenues, business licenses, etc. Other revenue lines that are over-performing are property taxes, B & O taxes, utility business tax, sales tax, building permits, delinquent fire fees, etc. Mr. Herron said that we are preliminarily estimating a Budget Cash Carryover, after subtracting the encumbrances and the budgeted carryover, of approximately \$1,000,000.00. This is merely an estimate and a more exact figure will be available June 30, 2017. Mr. Herron said that recommendations for the Cash Carryover will be made to the Finance Committee in July, 2017. He stated that, in July, we typically go through each individual line item and make proposed adjustments based on history. Following a discussion in regard to health insurance, Ms. Scatterday moved, seconded by Mr. Palmer, to approve the Financial Statement for May 31, 2017. Motion carried.

Other Items for Discussion

Ms. Scatterday asked that a work session be scheduled to discuss the potential carry-over prior to the regularly scheduled Finance Committee meeting which is July 18, 2017. Mr. Herron said that he would also like to include the proposed CDBG Budget for discussion also. The

Committee was in agreement and scheduled the meeting for Wednesday, July 5, 2017 at 11:00 a.m.

There being no further business to come before the Committee, Mr. Palmer moved, seconded by Ms. Scatterday, to adjourn. Motion carried. Time: 5:15 p.m.

REPORT OF CITY MANAGER

City Manager Robert Herron said that the City has received a grant to hire an architect and engineering firm to look at roof repairs in the 1400 block of Market Street and also have received permission to include 1107 and 1109 in that procurement process; however, the city will pay for that portion. Mr. Herron indicated that he received a number of complaints about the firework issue. He has not had the opportunity to talk to the Chief yet but we take this issue very seriously and we need to address it soon. In response for an update about the former Tin Pan Alley from Councilor Brian Wilson, Mr. Herron said that the recommendation is to demolish the back portion of the building. Mr. Herron said that the Engineering Department is going to contact the contractor who is currently doing some demolition around the City to see if he could add this to the current project as a change order item.
