

FOR IMMEDIATE RELEASE

March 20, 2020

City Offices Closed to the Public Beginning Monday

WHEELING, W.VA. – Effective Monday, March 23, all City of Wheeling offices located in the City-County building, 1500 Chapline St., will be closed to the public until further notice. Such action is in response to the COVID-19 pandemic. Offices will remain staffed. If needed, appointments can be made with respective department heads.

While the police department will remain open, walk-in reports are discouraged and all reports should be filed via telephone by calling 304-234-3664. For police, fire and medical emergencies, call 9-1-1.

Wheeling residents who need to pay utility bills or parking tickets can do so by utilizing the payment drop box that has been placed inside the first set of doors at the main entrance of the City-County Building. Those wishing to utilize the drop box, which is clearly marked, do not have to go through security to access it. Payments can also be made by mail or online at www.municipalonlinepayments.com/wheelingwv.

The City's Economic & Community Development Department will continue to do building inspections. However, those wishing to drop off building permit applications must do so via a drop box that is also located inside the first set of doors at the main entrance of the City-County Building adjacent to the box for utility bills and parking tickets. It, too, is clearly marked.

Those wishing to apply for a job with the City of Wheeling can do so online at <https://www.wheelingwv.gov/departments/HumanResources/city-of-wheeling-job-application>. Individuals who do not have access to a computer or who don't feel comfortable filling out an application online should contact the Human Resources Department at (304) 234-3694 and one will be sent in the mail.

The scenario with the COVID-19 pandemic continues to be very fluid. Additional changes within the City of Wheeling could occur if necessary.
