Wheeling City Council Meetings to Once Again Be Held Virtually

WHEELING, W.VA. – In light of Governor Jim Justice’s recent order restricting the number of people who can attend gatherings, out of an abundance of caution, Wheeling City Council’s upcoming meetings will, again, be held virtually until further notice.

The next meeting is slated for 5:30 p.m., Tuesday, July 21. City Clerk Brenda Delbert explained the public will still have the opportunity to observe the proceedings and provide input where appropriate. The meetings will be live streamed on the *Wheeling WV City Government* Facebook page.

“The meeting agenda is available on the City’s website as usual and residents who desire to speak before council will still be able to do so,” she said.

For the public comment portion of the agenda, those desiring to address Council must call 304-551-2151 up until 15 minutes prior to the meeting’s start to sign up to speak. At this time, the City Clerk will provide assistance in how to log on or phone in to the meeting. Facebook questions/comments will not be responded to during the meeting.
